Hi Randall,

I think that the BOD would like to have Ken attend a couple of meetings before he commits to joining our crazy team. I will not be able to be at the next meeting, so I was hoping that you could confirm with Ken that he should attend (if he really wants to), and make him feel at home at the next meeting.

I think that Ken would enjoy being part of LEAPS and would be a good fit. If you have any issues, please let me know...

Thanks,

Steve Rolland

Subject: Law Enforcement and Private Security Conference 2013

Steve Ruda,
Battalion Chief
Los Angeles Fire Dept.

Steve,

The Law Enforcement and Private Security Conference has been a long standing tradition in Los Angeles. This year's event is scheduled to Wednesday, October 9, 2013. The event will be held at the Bonaventure Hotel.

This year's topic is "CRITICAL INCIDENT RESPONSE – THE FIRST THIRTY MINUTES." Because of your position, background and experience you were the first person to come to mind as a guest speaker from the Los Angeles Fire Department's prospective.

We plan to have three major components and prospective to this year's event; Police, Fire and Security and how these organizations see the first 30-minutes during a critical response to a major event. Just what that event is has not been decided, however we are looking at an electrical vault explosion, bombing or other such unexpected, yet anticipated occurrence.

Your public speaking abilities coupled with your hands-on experience, knowledge and background would make you a natural as the representative from LAFD. Please let me know if you would consent to such an engagement.

Tom Hyde, CFLS
Board Member, LEAPS
Law Enforcement
and Private Security Conference

I will not be able to attend Tuesday (as planned).

I've been scheduled for back to back meetings with Property Management and potential tenants/owners for Tuesday morning.

However, the "Boston Marathon-like Incident Response from LAPD and LAFD" breakout is working.

LAFD representative has rogered up. LAPD rep is on vacation this week, and we (Lloyd and I) are working a meeting with all in early Sept!

More when I know it!

Attached is a LEAPS Sponsorship package for you to send to prospective sponsors for our October conference. Please review the package and then send it to anyone you feel might be interested, especially your own vendors. We have already had success with this being sent by a LEAPS Board member to one of his vendors. Please remember that the sponsors financial support is the reason LEAPS can afford to present these quality conferences.

I suggest you send this with a personal note or e-mail that this is an excellent opportunity to market a product to over 350 individuals, many of whom are owners and decision makers for successful companies in our industry. And, as a vendor to your company you would appreciate their consideration and support.

Please don't hesitate to call or e-mail me if you have questions – (916) 508-5177.

Subject: Vendor Pricing and final push

Good morning all...

As we close in the start of our annual conference, we want to clarify one pricing issue/opportunity that slipped through the cracks – Vendor pricing. Obviously, we would all like to have all of the participants become a sponsor, but we don't want to turn away anybody from participating in this year's event. With that said, we have a special price for vendors – for \$750, which includes one lunch. Each additional lunch for a vendor will be \$100. This pricing will hopefully allow us to attract enough vendors to fill the vendor area.

As a reminder, we will have our last meeting prior to LEAPS conference on Tuesday, October 1st at the Bonaventure at 8:30. We will meet in the Santa Monica A for breakfast and meeting. Please let me know if you are NOT going to attend so that we can have the appropriate amount of food.

One final request..... PLEASE reach out to all of your vendors and try to encourage them to attend this year's event. As you all know, we have a really great program planned and we just need to pack the facility. As you will see, the Bonaventure Hotel is a great venue and hopefully we have found a home for many years to come.

Thanks again for all of your effort this year – we simply have to push in the final few weeks to insure that we have a successful conference...

See you on the 1st....

LEAPS 2013 Conference

Wednesday, October 09, 2013

7:00 AM - 1:30 PM

Westin Bonaventure

404 S. Figueroa St. Los Angeles, CA 90071

There are only a few days left to register for this year's 14th Annual Los Angeles LEAPS Conference - ***Critical Incident Response; The First Thirty Minutes***. Being held at the downtown Westin Bonaventure Hotel the conference will begin with registration at 7:00am and be completed at 1:30PM. The program includes leaders from law enforcement, the fire service and private security to discuss the coordination between public and private responders when a critical incident occurs.

The program will be opened by Assistant Chief Michael Moore, Director, Office of Special Operations, LAPD, followed by a general session featuring Captain Philip Fontanetta, Commanding Officer, Emergency Operations Division, LAPD; Assistant Chief Kwame Cooper, North Division, LAFD; and Mr. Geoff Craighead, Vice President, Universal Protection Service and the current President of ASIS International.

Following the general session will be two breakout sessions. *Critical Incident Response – A Year in Review* will be presented by Captain Fontanetta and Assistant Chief Gregory Reynar, Commander, Emergency Medical Services Division, LAFD. And, Assistant Chief Cooper and Deputy Chief Robert Green, Commanding Officer of Operations – South Bureau, LAPD will discuss *Critical Incident Response – The Role of Security*.

The conference will conclude with a luncheon and an address by our keynote speaker Chief Jimmy McDonnell of the Long Beach Police Department.

The information in this program is vital to all of us in the public safety arena. Security personnel have become First Responders, by default, making the coordination with police and fire vital to success in these incidents. Please register today at www.leapsla.org or the link in this e-mail.

Good morning,

I hope that all is going well with you. First, as a reminder, we will have our last meeting on LEAPS 2013 tomorrow at the Bonaventure Hotel at 8:30. This will be in the Santa Monica A room where we will have coffee / Danish and do a walk through the details of the conference.

Additionally, Geoff Craighead will not be able to join us during the morning session doing his part in bringing the perspective of private security to the mix of our topics. Geoff will be out of the country working on client projects. As you know, Geoff is a Universal Protection Service Vice President, who also is the President of ASIS, so that connection was a solid one. He has offered David Davis, one of the executives at ASIS (I think that he might be the President of ASIS next year) as an optional replacement. I believe that David lives in the Victorville area, so we would likely have to get him a room the night before. Geoff also suggested that we consider Steve Claton, President of Universal Protection Service as the presenter. Steve, like many others, knows the topic and will represent LEAPS very nicely. I have not heard David speak, but Geoff said that he is a good speaker. I know from personal experience that Steve Claton is an excellent speaker and would do a great job...

So, I would like to have input as to this swap of speakers, and any others that might fit the bill for us. I know that this is late notice, but we were only notified last Friday that Geoff would not be able to make the conference.

Please do respond to all if you care to make a comment on our choices for this 15 minute or so presentation...

Thanks,

Steve Rolland

Both Gary Bradley and I will try to attend. (I have a deposition scheduled that morning, so I might not be able to, but Gary can answer questions regarding our bylaws.)

All -- If anyone is willing to step-up into the Chair position, this would be the time to seriously consider it. It is no doubt a bit of work. But I'm sure someone has the ability (time and commitment) to do it. Otherwise, with Steve Rolland and Ed Zeier stepping down, the last conference may well be the last conference. That would be a shame.

Best,

Barry

Law Enforcement and Private Security (LEAPS) is hosting the 2014 LEAPS training symposium on Wednesday, September 10, 2014.

The relationship that exists between private security and law enforcement continues to flourish through this venue and the timing of this symposium could not be more appropriate as it deals with law enforcement and private/public first responder concerns. The training symposium will be held at the Bank of America Plaza, 333 South Hope Street, in Los Angeles, and is expected to attract approximately 200 people, including representatives from over 30 law enforcement agencies within Los Angeles County. Check-in begins at 7:30 a.m. and the symposium will promptly commence at 8:00 a.m. and conclude at 12:00 p.m. Seating is limited and registration must be completed on the LEAPS website at www.leapsla.org by selecting "Registration." Good morning,

I have received communication from several individuals who cannot attend the LEAPS Debriefing on September 24, 2014, at 11:30 A.M at LAPD Commercial Crimes Division. The few who wish to attend the meeting in person may do so and those who cannot attend may access the meeting through the conference bridge.

1. Call [213-486-4700](tel:213-486-4700) or [213-486-7070](tel:213-486-7070). (Either number will work.)
2. Enter your "Conference Access Code 11036" followed by the "#" key.
3. Remain on the line. You will be placed into Conference when the Chairperson arrives (signs in).

* For those who would like to appear in person please contact me (Cell: 213.359.0250) on the day of the meeting so that I may escort you upstairs.

Good afternoon,

Please save the date for an extremely vital Law Enforcement And Private Security (LEAPS) meeting regarding the future of LEAPS. There will be more information to follow but it is requested that everyone attend and a conference bridge (call) will NOT be utilized.

Please accept or decline this appointment so that I may have an accurate accounting of expected attendees.

Thank-you

Joe
